

LOYOLA COLLEGE (Autonomous)
DDU KAUSHAL KENDRA
WORKSHOP ON CINEMATOGRAPHY
VENUE: ASMITA, Chennai International Film School,
Saligramam, Chennai-600 093
Resource Person: MR.RAVICHANDRAN, MR.SUGUMAR

Date: 6th February, 2016

Time: 10:00 A.M

To enlighten students on some of the basic principles of Cinematography and get practical knowledge from experts, a one day workshop on Cinematography was organized.

For this purpose, renowned experts in the field were called upon to deliver lectures. **Mr. Ravichandran** who works as the **Head of the Department in ASMITA Film School**, accepted our invitation and came in to illuminate students on some of the basic ideas and principles of Cinematography. Students understood and learnt how to handle a basic camera and other models for the purposes of film making. Topics

on camera exposure, time controlling in TSTR camera, ISO in mirror less cameras, shutter speed were discussed.

The workshop became even more interactive and productive with the presence of **Mr. Sugumar** who is a leading Cinematographer and has worked in many popular Tamil films such as **Maan Karathe, Kumki**, and much more. Students received first-hand learning experience about film editing and other technical tasks involved in film making from the famous cinematographer.

The event came to a fitting end when Mr.Sugumar highlighted the challenges and opportunities in the field of film making and advised students to keep their performance levels high in studies to get the best opportunities in the market.
