

WORKSHOP ON MINIATURE SET MODELING

Dr.Ezhil Vendan, founder, Emagic Animation Academy, conducted a Workshop on Miniature Set Modeling for Students of I and II M.Voc., IInd and IIIrd B.Voc., 3D Animation, on 23rd and 24th July 2018 at the Drawing Studio of the department. The internationally reputed 3D artist explained how miniature set modeling would be a boost for students in gathering profound knowledge about the 3D models they are set to work upon.
