**Loyola Responds to Covid19 Pandemic:**

**06<sup>th</sup> April, 2020**

**Dear Alumni, Collaborators, Staff and Students of Loyola College, Chennai!**

**Greetings to you all!**

**I hope you are keeping safe and healthy amidst the lockdown due to Covid-19.**

**After proper survey of the field reality due to Covid19, Loyola has identified 2000 families, the stranded migrant workers in and around Chennai, as the most vulnerable people to get connected. Jesuit Migrants Services (JMS), a Team of Two Jesuit Fathers from Loyola, are working with migrants for the last 5 years. They have identified these vulnerable people and requested our help for these people.**

**Hence, Loyola has taken a decision to make sure that these families protect themselves and keep themselves confined to their dwelling places and at the same time be assured of their food for a period of next 2 months.**

**Now, these migrant workers do not have ration cards and hence TN civil support may not reach them. Hence the decision of Loyola to provide them Provisions worth Rs 2000/- per family for two months. The total cost of this exercise will be Rs 2 crores with Rs 40 lakhs per 15 day cycle. This activity will be undertaken with the approval of the Government authorities.**

**We plan to provide the following materials: Rice, Dall, Masala items, Oil, Sugar and Sanitary items (and providing medical assistance as and when needed). Please send you support, whatever be the amount, to:**
