

Students' Testimony (2016-2017)

When you get close to something, you get a clear view. HRM gave me a clear vision of management principles with wonderful faculties. It was a great transformation for me in LIVE Loyola.

The Travel & Tourism Management at LIVE, Loyola equips students with the perfect opportunity to step into the tourism industry. The highlight of the course would be the practical exposure provided in terms of Industry & field visits. The fact that most of the faculty are from the Industry is an added plus! Being a part of Loyola-LIVE has been learning & rewarding experience!
